KODURI ANUSHA is a dedicated and experienced Mathematics educator with over 10+ years of teaching experience across school and higher education levels. She holds an M.Sc in Mathematics from Vivekananda Degree and PG College , a B.Ed from Jyothishmati College , and a B.Sc (MPC) from Government Women's Degree College .

Throughout her academic and professional journey, she has demonstrated strong subject knowledge, effective communication skills, and a commitment to student-centered learning. She began her teaching career as a Mathematics Teacher at Scholars High School, where she implemented activity-based learning under the XSEED curriculum and focused on strengthening foundational mathematical concepts. She later served as a Junior Lecturer at TSWRJC Chinthakunta, handling Intermediate Mathematics and guiding students toward academic excellence. She further worked as a PGT (Mathematics) at TS Model School, where she prepared senior secondary students for board examinations with a strong emphasis on conceptual clarity and problem-solving skills.

For seven years, she served as an Assistant Professor of Mathematics at Jyothishmathi Institute of Technology and Science, teaching undergraduate engineering students, preparing academic materials, conducting internal assessments, and mentoring students for academic improvement. Her areas of strength include curriculum planning, lesson plan development, classroom management, student mentoring, and examination evaluation processes. She is proficient in MS Office tools and possesses basic computer knowledge, enabling her to integrate technology into teaching practices. Fluent in English and Telugu, she is committed to fostering analytical thinking, discipline, and academic excellence among students. She continuously strives to create a positive and engaging learning environment that supports intellectual growth and holistic development.
